GUIDELINES FOR THE UPCOMING ISSUE | **PROPHETS OF PROFIT 2021**

About the journal

- **Prophets of Profit**, the Economics Editorial Board of **Indraprastha College for Women**, University of Delhi, cordially invites **original unpublished research papers, review articles, and general articles** on topics related to the field of **health economics** for its **annual publication 2020-21**. Entries from **undergraduate students** will be considered for publication in the academic journal.

About the theme of journal

- **Health economics**: considering how life has changed suddenly and drastically due to the coronavirus pandemic, it would be apt to discuss and capture our collective understanding of various facets of health economics in our upcoming issue for the session 2020-21.
- **Ideas of topics** (*not an exhaustive list; articles can cover topics other than the ones mentioned here*): Student perspective: mental health; Affordability vs profitability in the health care; Role of AI in healthcare; Health insurance market; Moral hazard and adverse selection problem; Impact of women's health on the GDP of a country, Medical tourism; Trade potential in the Yoga industry; Assessing the economic impact of healthcare services to the rural community; Comparing private and public sector in delivering healthcare services; Growth potential of Indian pharmaceutical industries; COVID-19: migrant population, primary health care; health care system; Role of Demographic Dividend; Reviewing past historical episodes of epidemic/pandemic; Cross-country comparison

Guidelines for format and style

- **Plagiarism** will not be entertained, and when detected, the entry stands to be automatically rejected.
- Kindly mention the name of **author(s), year, department, and institution** below the title of paper.
- To be followed: Font type - **Times New Roman**, alignment - **justified**, and font size - **12**.
- The **prescribed word limit** needs to be adhered to for each kind of article.
- A list of all references cited in the article must be included following the **APA style referencing**.

Guidelines for research articles

- Word limit of the research paper should not exceed more than **3000 words**.
- Submission of the final article must include the following sections in the order:
 1. **Abstract with keywords**
 2. **Introduction**
 3. **Literature review**
 4. **Methodology**
 5. **Results and Discussion**
 6. **Conclusion**
 7. **References (APA citations)**

Guidelines for review articles

- A **review article** comprises of a study of previously published articles on the same topic. It aims at contextualizing the various research findings based on relevant literature review. Addition of original findings is not necessary, but the author can make observations and inferences from the study.
- Word limit of **2500 words** is to be adhered to.
- Submission of the final article must include the following sections in the order:
 1. **Abstract with keywords**
 2. **Introduction**
 3. **Review findings**
 4. **Conclusion**
 5. **References (APA citations)**

Guidelines for general articles

- The articles should adhere to the theme of the journal and must not exceed more than **1000 words**.
- The article is to be divided into **different subheadings** (at least 3 subheadings is to be included).
- The references cited in the article must be included following the **APA style referencing**.
